**PK-12 Leadership Forum**

During Workshop sessions #1, 3 and 4, all school and district administrators will join together in North and South 40 to discuss best practices in STEM education and leadership within our PK-12 schools, with an emphasis on reaching the female students. The PK-12 Leadership Forum will be led by Shelly Tornquist, Dr. Tim Scott and Tricia Berry.

**Workshop**

During Workshop session #2, all administrators will attend the following session in Ballroom 1:

**Micromessages: Recognizing Nuance and Using Influence to Create Inclusive Engineering Environments**

Shawna Fletcher, Director, Women in Engineering Programs
